WE DEDICATE

To the Seniors we dedicate this 1945 Nautilus. Not only to this year's seniors but also to those in years to come. For these that stand on the brink of the outside world are our country's future and hope. As they go out in life, may they be blessed with courage, integrity, wisdom, progressiveness, and all the other qualities needed to help this glorious nation continue in prosperity and peace. And may they have the initiative to build and to hold a growing faith in mankind, and from this foundation instituted in Jefferson High School achieve the goal of perfected promise.

Reading, left to right: George Pfrommer, Francis H. Boor, Carl C. Siegler.

The School Board, composed of three members, Francis Boor, president; George Pfrommer, treasurer; and Carl Siegler, secretary, have the great responsibility of looking after the school life of Lafayette's thousands of students. Some of the many responsibilities which confront these men are determining the amount of money needed to finance the schools, looking after the welfare of the students and teachers, taking care of the school equipment and many other difficult and trying problems. We, Jefferson students, all owe these men a vote of thanks for their untiring efforts in making the Lafayette Schools the best that can be found in the State.

D. Preston Calvert (left) has been the attorney for the school city for the past several years. His services rendered have been very much appreciated.

SUPERINTENDENT

Morris E. McCarty received his B.S. and M.S. degrees at Purdue University and is a graduate of Jefferson High School. At the present time he is the superintendent of the Lafayette Public Schools.

He is well-liked by the faculty and student body, and is always a great help whenever advice is needed.

PRINCIPAL

Lynn Miller, Indiana A.B., Purdue M.S., is a native of Lafayette and attended Lafayette High School. He first came to Jeff in 1928, became Dean of Boys in 1932, and has been Principal since 1943.

Mr. Miller is interested in all school activities, and is always helpful when advice is needed by students and faculty members alike.

DEANS

Miss Irma Slayback, B.S., Purdue.
V. D. Montgomery, A.B., M.S., Indiana

The two most understanding and patient people in school are shown above — Miss Slayback and Mr. Montgomery. Every day they hear thousands of excuses to get out of school. They also cheer up the many students here at school and straighten out hundreds of difficulties in high school careers. Altogether, they help hold the school in order and help keep a feeling of good will prevailing.

NURSE AND ATTENDANCE OFFICER

Left to right: Mrs. Pauline Pettit, St. Anthony Hospital, R.N.; Mrs. Betty Torrenga, Purdue, B.S.

Mrs. Pettit, the school nurse, has the untiring job of not only looking after the health of all Jefferson students but also all grade school students. Any student may consult the nurse in the case of any accidents or illnesses.

Mrs. Torrenga, the attendance officer, has charge of those who are out of school any length of time and visits their homes to see why the prevailing condition exists.

COMMERCIAL

Seated, left to right: Charles Martin, Central Normal, B.S.; Loyal Minier, E. M. College, B.A.
Standing: Mrs. Betty Ade, Central Normal, A.B.; Russel Bradley, Central Normal, A.B.

A number of students now taking courses in this field are putting their newly acquired skills and knowledge to a practical use by working in the afternoons and in some cases all day.

Typing and shorthand are two subjects that require skill and precision for mastery, but this is acquired under the leadership of Mrs. Ade and Mr. Martin.

Other commercial subjects which help the students in pursuit of their chosen careers in the commercial field, are junior business, general business, bookkeeping and business arithmetic. The commercial field should not be overlooked when choosing your high school course or life's profession.

ENGLISH

Seated, left to right: Miss Sara Andrew, Purdue, B.S.; Miss Arlie Norman, Indiana, A.B.; Mrs. Marian Gettings, Purdue, B.S.; Miss Dorothy Bertch, Miss Anna Wood, State Teachers College, A.B.

Standing: G. Earl Carroll, Butler, A.B., Columbia, M.A.; Miss Ida Fleming, Indiana, A.B.; Mrs. Lelah Clark, DePauw, A.B.; Miss Lucille Fenton, Wheaton, A.B.; Miss Mary Kennedy, Purdue, B.S.; Miss Mary Ryan, Purdue, B.S.; V. C. Rogers, Louisville, A.B., M.S.

English, perhaps the most important school subject, is required for three out of the four years at high school. To speak correctly is one of the greatest assets in the business world today and the teachers in the English department at Jeff are doing their utmost to instill that idea in the minds of the Jefferson students.

To avoid the monotony of straight grammar, literature is taught every other semester and in the senior year courses in public speaking, Business English and composition are offered. Journalism is also taught by the English department and gives those students taking it a good beginning in the journalistic field by working on both the Nautilus and Booster staffs.

FOREIGN LANGUAGES

Left to right: Miss Beth McCloud, Purdue, B.S.; Miss May Hanna, Indiana, A.B

All foreign language students should consider themselves fortunate indeed, especially today. With our interests and attention being drawn more and more toward international problems, a knowledge of at least one language is of great importance.

Students in this department not only acquire speaking and reading knowledge of a language, but also learn the history, culture and customs of the countries whose language they are studying. This has proved to be most interesting to all students.

Foreign language students are also at an advantage in their English classes as this study is a great aid in the study of our own language.

Mr. Carroll, whose picture appears in the English group picture, and Miss Hanna are the Latin teachers and Miss McCloud teaches Spanish.

HOME ECONOMICS

Seated, left to right: Miss Maryalice Kelly, University of Iowa, B.A.; Miss Gleela Ratcliffe, Purdue, B.S., M.S.
Standing: Miss Janet Ferguson, Indiana State Teachers, B.S.

The Home Economics department this year has particularly stressed the conservation of food and food points and emphasized the necessity for mending and saving of old clothes. The students taking this course learn the proper methods of home management in cooking, sewing, and nursing.

Miss Kelly, Miss Ratcliffe and Miss Ferguson were understanding advisors to the students taking these courses and their faithful help was appreciated at all times.

Each girl should take at least one of the many home economics courses offered as it aids in the planning for her own future home and teaches her to be self-reliant, how to improve her character and above all to get the correct attitude towards life.

MATHEMATICS

Seated, left to right: Miss Elizabeth Rothrock, Indiana, A.B.; Miss Ruth Sexton, Purdue, B.S., M.S.; Miss Mary Seever, Indiana State Teachers, A.B.

Standing: Clarence Lane, Indiana, Purdue, A.B., M.S.; George Kenzler, Purdue, B.S., M.S.; David Bonham, Indiana State Teachers, B.S.; Milton Leverenz, Purdue, B.S., M.S.; G. W. Rowe, Wabash, A.B.

Mathematics, a subject of great importance in our present war, was ably taught by the above teachers. Every boy entering the armed forces needs more than an adequate knowledge of this subject, such as those being trained in radar, engineerings, etc.

Jeff students have also come to realize its significance in the furtherment of our country during the post war period. At this time, inventions, new designs, etc., all based on the principles of mathematics, will be greatly needed.

Realization of a job well done always accompanies the students after finishing their higher math courses.

MUSIC AND ART

Left to right: Miss Camilla White, Purdue, B.S.; O. Leroy Davis, Ball State, B.S.; Miss Georgianna Kienly, Indiana, B.P.S.M.

Music and art have proved, during this present war, to be one of our greatest morale builders. In view of this fact, Miss White, Miss Kienly, and Mr. Davis have worked with great zeal and enthusiasm in trying to convey this point to Jeff students.

The art department has worked vigorously this year to put over many poster campaigns, such as cancer drive, war bonds, infantile paralysis fund, etc. They also presented an art exhibit for the benefit of all students.

The music department presented convos, music festivals, band concerts, and furnished music for all athletic contests. All of these various projects were presented for the entertainment of all Jeff students.

PHYSICAL EDUCATION

Left to right: James Lyboult, Assistant Coach, Purdue, B.S.; Marion Crawley, Coach, DePauw, A.B., Columbia, A.M.; Miss Lucille Anderson, Physical Education for Girls, Purdue, B.S., Columbia, M.S.; Orval Martin, Track, Purdue, B.S.

Physical education promotes athletic activities for girls and boys in order to increase interest in athletics and to set a high standard of sportsmanship and wholesome living. The program consists of activities which will develop endurance, stamina, and skill. The following are included: gymnastics, rhythmic activities, relays, calisthenics, hiking, obstacle races, volleyball, basketball, soccer, field ball, speed-ball, football, and baseball.

These activities take place not only in the Jefferson High School Gymnasium, but also at the Jeff Athletic Field. Both the field and the gymnasium are very well equipped and afford the students an opportunity to practice their ability in all sports.

SCIENCE

Left to right: Luther Troutman, Indiana State Teachers, A.B.; R. W. Peck, Indiana, A.B., M.S.; Miss Mabel Beaver, D. O. Neidigh, Indiana, A.B.; M. C. Marshall, Hanover, B.S.

Biology, meteorology, geography, physics, and chemistry compromise the studies now offered by the Jefferson science department. For those students majoring in science a varied course is offered for the four years. Science, a comparatively new course when you take into consideration the new inventions, techniques, etc., is an extremely interesting subject and enables the student to get a good foothold in the field of future science and discovery. In the study of the various sciences the students learn to think for themselves and develop lines of theory and self-reliance.

SOCIAL STUDIES

Seated, left to right: Miss Wilma Fletemeyer, Purdue, A.B., M.S.; Miss Vera Shaaf, Purdue, B.S., Michigan, M.A.

Standing: A. W. Maurer, State Teachers, A.B.; Raymond Bender, Wabash, B.A.; Heber Short, Central Normal, A.B., Indiana, M.S.

Social studies, although required for graduation, are becoming increasingly popular with the students because of the interest in world affairs that this war has brought about, along with the informal way the teachers present the material to the classes. United States history, world history, sociology, civics, economics, and Latin American history are being taught at Jeff.

The different history courses and civics have been improved with the introduction of the radio into the classrooms, and in this most eventful past year, this has been extremely beneficial in keeping abreast with the news.

Mr. Short's civics classes made their annual "pilgrimage" downtown to see the city government in action, and also held an election, voting machine and all, with the students running for the various offices. This kind of instruction is proving invaluable to the boys and girls who will one day find themselves voting in a real election.

INDUSTRIAL ARTS

Left to right: G. V. Hitchings, Purdue, A.B.; J. R. Hammond, Purdue, Indiana State Teachers; Harry Taylor, Purdue; Harold Wills, Purdue, Butler; Elbert Morgan, Indiana State, B.S.

The study of the various industrial arts has become increasingly important as our country forges ahead into the machine age. Practical application of the arts learned is also a part of the courses offered and many useful utensils are made and put to use.

The stage crew, an irreplaceable group of the Jeff student body, was an invaluable aid in the many school convocations, the Senior Play and the Broadcho Brevities. This body was ably coached and assisted by Mr. Wills, who also taught the shop classes.

The printing department, under the direction of Mr. Morgan, printed numerous programs, placards, and the Booster and experienced a very successful year.

Other courses offered in this department are mechanical drawing, woodworking and auto mechanics and they offer an excellent opportunity for those that intend to follow a career of mechanical nature.

"JANIE" was the title of the 1945 senior play which was presented March 22-23 in the Jefferson auditorium. It was a smashing success and was a complete sell-out two weeks previous to the play.

Six girl's parts were double cast and every member of this well-chosen cast portrayed their part superbly in the three-act comedy.

The play was given under the able direction of Mrs. Lelah Clark, assisted by Miss Sarah Andrew, who gave many opportune suggestions.

As both casts did equally well, it would really be quite hard to distinguish between them and select certain standouts. So let's just say to all of them, "You did a fine job, Seniors of '45, and may next year's play be one-half as good."

SENIOR DANCE

First Row, left to right: Lois Arnold, Dottie Funk, Doris Bales, Barbara Binz.
Second Row: Corrine Clark, Colleen Vaughan, Jackie Lange, Robert Burget, Doris Wendling.
Third Row: Tom Bossung, Don Dewenter, Tom Cavanaugh, Don Howard.
Fourth Row: Don Stong, Bill Gettings, Leonard Lewis.

Saturday evening, April 14, was the date of the annual Senior Dance in the Jeff Gym. Approximately 200 couples danced to the music of Ernie Englund and his orchestra. The decorations were centered around a star made of vari-colored crepe paper suspended from the ceiling. The stage was transformed into a garden complete with benches and a fountain. Also flower-covered arches over the doorways carried out the garden scene. The backdrop featured a silhouette outlined in blue.

The grand march, led by Chairman Don Howard and his date and Jack Kaiser and his date, began immediately following the intermission. The dance was very successful and everyone had a most enjoyable time.

CLASS PROPHECY

12/31/2955
Office of the President.

I have just received a thought—a transmission from my good friend, Professor Unearthum, who has recently discovered the missing links between our present civilization and these strange people of the year 1945 A. D. During an archaeological expedition to the site of the lost city of Lafayette, on the Wabash, he found traces of what must have been a primitive settlement. The city had been covered by a dust-like film and had gone unnoticed by all until this day. Among the crude dwellings was this interesting document under the title of "Prophecy". It was written by the three Mystic Maidens of the Musty Maze, who were certainly great prophets or goddesses of this strange age. Below is a copy of this important paper. It is recognized as a truly great document which shows that these people contributed much to the great peace we have had for a thousand years, they fought for it—we live in it.

His Excellency, the President of the U. S. A. of the U. S. W.

SENIOR CLASS HISTORY

The last year of the most important four years of school life for the students of Jefferson came to an abrupt end on June 8, 1945.

When we entered school as "frightened freshmen," we were greatly intrigued by the wonders that Jefferson High School held for us. Our upperclassmen obligingly sold us convocation tickets and forcibly designated the right and wrong side of the stairs. But as the year progressed, we joined various clubs—Sunshine Society, Girls' Athletic Association, Glee Club, Mixed Chorus, and some of us were even brave enough to try out for the Red and Black Revue.

As sophomores we hadn't much of a history, but we were no longer "preps" and we started to participate in the sports, all of the school activities, and various clubs throughout the school such as: the Hi-Y, the Bowling League, and many other organizations. We assumed a sophisticated air which discloses a spirit of ambition, cooperation, perseverance, sincerity, and courtesy.

Looking back over the last two years of Jefferson High School, we find we were caught in a whirl of interesting activities. During this year we looked forward to the all-school show, the Jefferson Varieties, and also to football and basketball and track meets. A lot of the juniors worked very hard to clean up study hall 113 for mixers and many boys joined the newly formed "J" club. With the coming of the 1944 commencement we realized that we would soon be seniors.

As our senior year rolled around we all looked forward expectantly to the first dance of the year and those to follow, specifically the Booster Dance, Bronchoette Gallop, Queen of Hearts Dance, and the biggest of them all—the Senior Dance.

In our senior year many new and enjoyable clubs were formed. These included the Junior Y Canteen, Bronc's Corral, La Junta Espanola, and Paint and Pantomine. The all-school show for this year was called the Broncho Brevities. After an absence of one year, the Bowling League was again in progress.

The Senior Play, "Janie," which was double cast again this year, was one of the huge successes of the year and the newly formed Student Convo Committee gave us some very enjoyable student convos.

For the first time in many years we defeated the Red Devils in football and basketball which gave us something we would long remember. The senior committee made the last days at Jeff memorable ones indeed, and as commencement approaches, we look back upon our senior year as one of our most gala years at Jeff and sadly wish it were not our last.

JUNIOR CLASS HISTORY

September, 1942, marked the beginning of our high school career and we embarked upon our new adventure with great enthusiasm. We were soon dismayed, however, by the ominous sounds coming from the lips of those "horrid" upperclassmen—"Prep, Prep."

We lived through that year, however, making the usual blunders, and in 1943 entered our second year of high school.

As sophomores we felt we knew more about the "tricks" of the students of Jeff, and although the studies became harder we began to enter into more extra-curricular activities. The fellows began to take an active part in sports, and the girls were more interested in Sunshine, Girl Reserves, and the many other Jeff clubs.

September, 1944, and we were Juniors—at last upperclassmen! Of course, the studying increased with the year, but we felt we were able to bear the strain. We became more interested than ever in school activities and took even more active parts in sports and clubs. We learned to respect the seniors whose place we were to take in the short time of one year. We'll never forget our junior year at Jeff and will look forward to next fall when we will attain the long cherished title of Seniors.

SOPHOMORE CLASS HISTORY

High school might be compared to a baseball game. The distance between home plate and first base is our freshman year, between first and second our sophomore year, etc. The Jefferson gym is our final base when we receive our diplomas and the game is completed.

Right now, we of the Sophomore Class are on second base trying desperately to steal third. Some of us have struck out once or twice, but come back again for anothery try. We know our fans—teachers, parents, and friends—are rooting for us.

Each player holds a different position and each one is important. Everyone has a chance playing outfield by joining the Hi-Y, the Sunshine Society, the Home Ec Club, the G.A.A., or some other worthwhile organization.

If we keep training rules and don't "skip" practice, we will score that all important run and advance to the "big leagues" beyond.

FRESHMAN CLASS HISTORY

We, the bewildered 1944-45 Freshmen, have walked the halls of Jeff in blindness to the surrounding mortals, namely, the upperclassmen. The voices of annual pranksters who sell convocation tickets and elevator tickets are still ringing in our ears. The sudden excitement aroused when one of us dropped our books on the second floor landing will never be forgotten.

However, now we are free to haunt the souls of the coming freshmen. We, at last, have earned the title of "sophomore."

Coach Marion Crawley's Bronchos romped through another gridiron season in grand style. The Bronchos operated from the "T" formation this year with surprising success, losing only one and tying one. Co-captained by Bill Long and Bob Buit, only returning lettermen, Jeff finished in the North Central Conference behind Muncie and Tech of Indianapolis.

One of the highlights of the year for the Crawley-men was a thrilling win over our rivals from across the river, West Lafayette. This was the first time Jeff has beaten West Side on our present athletic field. The Bronchos were waiting for this one, and they took the game (but only) after a hard struggle.

Jeff started the season with only the two co-captains as returning lettermen from last year. As the season progressed, the inexperienced squad developed into a speedy, well

oiled team. Bob Lennen, Art Locke, and Bob Query played the ends. Lug Lewis, Ted Shultz, and Tiny Lehnen were tackles. Keith Gillam, Ivan Amos, and Jack Roderick were guards. Don Bonnet played center. Jack Kaiser and Keith LaFon were quarterbacks. Donny Howard, Steve McLaughlin, and Bob Cooper in the halfback slots, and Bill Long and Al Cavanaugh at fullback, composed the squad. Don Brand did a super job kicking the points for the Bronchos. So many fellows won letters that it is hard to name all of them, but they all did their parts well. The line was aggressive, and the backfield was one of the most dangerous in the State. Bill Long was a triple threat at fullback, excelling in passing, running, and kicking. Donny Howard gathered in plenty of touchdown passes from Long, besides doing a lot of tricky running. In the line, Bob Buit and Art Locke, among others, were always in there to make the Jeff line powerful. Long was chosen to the third team of the All-State selections, and Buit was given honorable mention. With so many lettermen coming back next year, it looks like another great year for the Bronchos from where we are sitting.

With the Jeff "B" squad going undefeated, and with a crop of returning lettermen, Jefferson is looking forward to an even better season next year.

The scores of the games were:

Frankfort	6	Jeff	25
West Side	0	Jeff	6
Tech	20	Jeff	14
Tech	19	Jeff	19
Richmond	0	Jeff	12
Frankfort	7	Jeff	14
Crawfordsville	6	Jeff	27
Crispus Attucks	6	Jeff	23

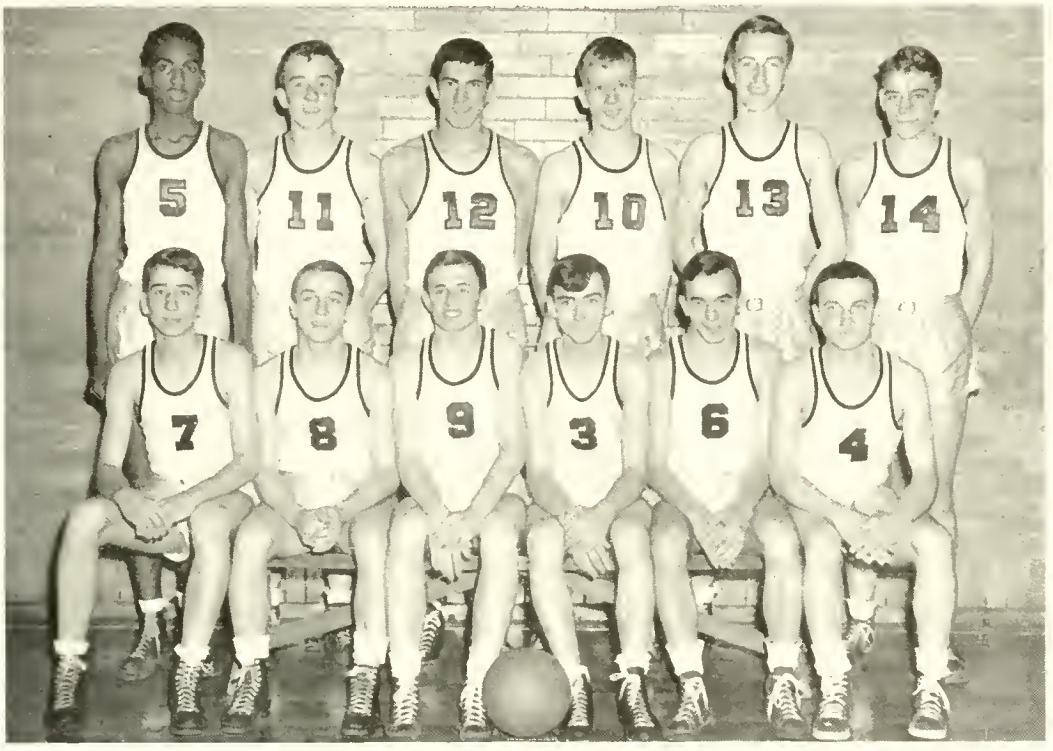
BASKETBALL



First Row: C. Reitemeier, D. Howard, J. Kaiser, B. Lennen, M. Prien, S. McLaughlin.
Second Row: C. Semmes, P. Gettings, B. Long, D. Bol, J. Clayton, H. Watkins.

With two returning lettermen, the Broncho basketball squad found itself much with the same problem as the football team, a lack of experience. The three sophomores on the first five, Bob Lennen, Pete Gettings, and Don Bol, had played only as freshmen; Jim Clayton had played on the "B" team last year; Charlie Semmes had worked his way up to the squad at tournament time last year, but didn't see much action.

With this material, along with Bill Long and Donny Howard, the only returning lettermen, Coach Crawley set out to build a formidable ball club. The boys worked hard and by the opening game were in pretty good shape.

The Bronchos started out the season in grand style, winning their first four games before bowing for the first time to Anderson. After that, the Jeffmen won their share of games and losing to strong opposition like the State Champions for two years running, Bosse of Evansville, and Tech of Indianapolis. One of the high points of the season for the Crawley-men was the winning of the Muncie Invitational Tournament.

In the tournament, Jeff proceeded to wade through all of the opposition that the local sectional had to offer, and won the right to participate in the Regional Tourney the fol-

lowing week. This tourney saw Jeff go down fighting to a revenge-seeking Frankfort team that Jeff had defeated two out of three games during the regular season. The Hot Dogs eked out a meager one point margin despite the brilliant comeback in the last quarter that found the Bronchos giving the game everything they had. The Bronchos need not feel bad about losing that game and we are proud of the way they went down with all guns blazing.

The Jeff "B" squad, under Coach Sammy Lyboult, went through an undefeated season. Facing the best "B" squad competition in this part of the state, the unexperienced "Colts" played heads up ball with the tenacity of veterans.

Varsity game scores for the year were as follows:

Jeff	33	Delphi	18

TRACK

First Row: D. Seevers, J. Stump, C. Vaughan, B. Kiser, B. Moore, J. Bongen, G. Mitchell, D. Wheeler.
Second Row: B. Riley, A. Cavanaugh, J. Miller, B. Crumbo, B. Henderson, M. Bodden, C. Hunter, D. Howard, D. Amos.
Third Row: C. Klooz, E. Watson, B. Clawson, G. Haley, B. Reigle, D. Hatke, G. Allen, C. Kelley, B. Downing, T. Hogan.
Fourth Row: T. Workinger, J. Allen, S. McLaughlin, D. Greenwood, B. Cooper, T. Cavanaugh, M. Nelson, R. Troutt, Mr. Martin.

Again this year, Coach Orville Martin has been able to turn out another ace track team; the Jeff thinlies have been impressive all season and, at the moment, are preparing for the Sectional and State Meets. The relay teams have been the most consistent winners of the entrants in the various events. The half-mile relay team, winner of fifth place state honors last year, lost only once in competition, with Crumbo, McLaughlin, Greenwood, and Cooper doing some excellent running. The mile relay team, defending State Champions, has been even more successful. Not only do they hold the fastest time of the season in the state for this event, but they haven't lost a single race. Jeff has not only the four men necessary to run this event, but they have five boys, any four of whom are capable of forming a relay combination that is hard to beat. The five are John Allyn, Bill Crumbo, Tom Hogan, Ed Watson, and Jack Miller.

Another interesting thing about this year's team is the numerous new faces on the squad. Rudy Trout has been a consistent point winner in the shot put all season in his first year out. Charley Klooz is also coming along in the mile. Don Hatke is also proving his worth in the 880. These and many other performers look like promising prospects for next year's squad, which, we hope, will be as outstanding as this one has been.

In the individual events, Jeff hasn't been too strong in the hurdles, though Coach Martin has several prospects that are coming right along. Some of the best individual performers are Bill Crumbo in the dashes, Steve McLaughlin in the broad jump and dashes, Cliff Hunter in the pole vault, Tom Cavanaugh in the high jump, Jack Miller in the 440 and the broad jump, and John Allyn, who has turned in some excellent races in the half-mile run.

BASEBALL

First Row, left to right: Jack Hitner, Keith LaFon, Bob Pfrommer, Harry Leader, Dick Kimball.
Second Row: Charles Semmes, Don Bol, Melvin David, Harold Graves, Jack Kaiser.
Third Row: Don Ewing, Milton Prien, Don Howard, Charles Osterling, Gordon Brown.
Fourth Row: Edwin Rogers, bat boy, Clarence Reitemeier, Dick Robinson, Bob White, J. C. Lyboult, coach.

Jeff's baseball team, with Coach "Sammy" Lyboult at the helm, is engaged in another prosperous season. As this is being written, "Sammy's Boys" have a .500 average and are just getting their stride. Though we do not know the final outcome of the season, we do know that the boys are playing, and will continue to play, heads up ball.

The boys seeing action in most of the games are the following: 1st base, Charles Semmes and Jack Hitner; 2nd base, Jack Kaiser; shortstop, Charles Osterling; 3rd base, Don Howard; left field, Don Ewing; center field, Keith LaFon; right field, Harold Graves; pitchers, Clarence Reitemeyer and Milt Prien; and catchers, Bob Pfrommer and Don Bol. This is the team that thus far has been able to beat St. Joseph of Rensselaer twice and Central of Muncie, while losing twice to Oxford and once to Anderson. These losses have been incurred by two of the best pitchers in this part of the state, Bob Ladd of Oxford and Erskine of Anderson. Their excellent pitching accounts for most of the reason that Jeff was stopped by these two teams. Jeff, however, was able to dig in and fight when the going got tough and won their last start against Muncie's Bearcats. Good luck, Bronchos, on the rest of your schedule.

J-CLUB

First Row: B. Query, K. Lafon, D. Lehnen, S. Amos, J. Roderick, K. Gilliam, J. Allyn, L. Muinzer, T. Schultz, P. Gettings, B. Riegle.

Third Row: L. Lewis, C. Semmes, H. Foley, M. Prien, J. Kaiser, T. Cavanaugh, D. Bol, B. Lenen, D. Brand, J.. Hitner, T. Workinger, D. Howard.

Starting its second year as a Jefferson organization, the J-Club elected Bill Long, president; Jack Kaiser, vice-president; Bob Buit, secretary; and Tom Cavanaugh, treasurer. The inducting of Buit into the Army and Long into the Coast Guard, bestowed Kaiser with the duties of president and vice-president, and Cavanaugh with the position of secretary-treasurer. This year again the fellows sold pencils and participated in other school activities. They participated in the sponsoring of mixers and also took charge of Club 113 every noon during lunch hour. The club completed the year's activity by giving a party for all members and their dates.

YELL LEADERS

First Row, left to right: Phyllis Dolby, Tom Bossung, Pat Pechin.
Second Row: George Haley, Colleen Vaughan, Jack Southard.

Colleen Vaughan, vivacious cheerleader, supervised the Jeff cheerleaders for the past season. She was assisted by Jack Southard, Pat Pechin, and Tom Bossung, with Phyllis Dolby and George Haley serving as alternates. This group was very helpful in keeping up the morale of the team and in getting the crowd into the spirit of athletic contests. Several new yells were introduced this year and numerous convocations were held in the gym to get the students in a tournament mood. The band also deserves credit for its help in the band yells which proved interesting and effective.

The Girls Athletic Association, sponsored by Miss Anderson, is to promote athletic activities for girls in order to set a higher standard of sportsmanship and increase interest in athletics.

Many of the different sports the club is particularly interested in are: basketball, volley ball, softball, tennis, archery, and tumbling. Swimming has just been introduced into the activities of the club. During the winter the basketball team held tournament games with St. Francis, and the girls showed that the fellows weren't the only people that can participate in sporting activities.

The Jeff Booster is an important part of high school life. The school newspaper, besides giving news, entertains students with humorous stories, awards both credit and criticism where they are due, and publicizes what happens in the halls of Jefferson High. The issues which are published by advanced journalism students, are read and enjoyed by students and faculty alike.

Two journalism staffs wrote the fine issues during this school year.

JEFF BAND

First Row: Ray Gretencord, Mr. Leroy Davis, Ray Barnhart, Marvin Bercovitz, Bill Ewing, Evelyn Meadows, Don Lehnen.
Second Row: Jack Bowers, Don Sellers, Paul Gunstra, Gordon Cole, Wally McKay.

The Jeff Band opened its season of 1944-45 under the direction of their new band master, O. Leroy Davis.

Marching and formations were begun immediately. This year, the first time in Jeff's history, girls participated and did a fine job.

Leading the band were Wanda Evans and Dotty Funk, two beautiful and talented majorettes. Marching between them was Ray Gretencord, captain of the band, playing the glockenspiel. For the Kokomo, Richmond, and Crispus Attucks football games, which were played here, the band performed some brilliant formations and their music was exceptional. A great thrill for the entire band was their trip to Frankfort for the football game on October 13th. Jeff was proud of the excellent performance given.

During the entire basketball season the band was on hand to furnish music for all games, which brought back memories of their superb playing all through the sectionals. We must not forget the pep sessions at which everyone was put in the spirit to yell after hearing such a piece as "Charlotte Harbor Stomp."

The State Solo and Ensemble Contest was held on Saturday, March 24, at Terre Haute. Twenty-three Jefferson students took part, winning 17 firsts, 13 seconds, and 2 thirds.

DANCE BAND

Organizations fostered by the band were also much in evidence around school. The new dance band did a great deal toward glamorizing the school music curricula by appearing in covocations, playing at the tournaments, etc. Highlights of their career were the show given at West Side and the "Broncho Brevities," given April 27. The German Band was also active in several affairs.

The band this year had to make up for lack of quantity by raising the quality of musicianship of each person in it. Mr. Danvers Julian and Miss Mary Jane Harper are to be congratulated for their fine work in private teaching which helped a great deal. It is hoped that even though the band will be smaller than ever next year it will continue to develop and keep up the fine quality of work it turned out this year.

A girls' trio composed of Nancy Wheeler, Norma Curtis, and Shirley Keithley provided entertainment for many school and outside social activities.

A broadcast was presented in the Jefferson High School of the Air series. Several members presented special musical numbers for Parent-Teachers' organization meetings.

The Jeff Band, Junior Orchestra, Junior Band, and High School Chorus, also took part.

The Mixed Chorus is composed of sixty boys and girls who are interested in singing and the further study of music.

The Mixed Chorus has participated in many activities throughout the year. They were featured in the two convocations in the auditorium and combined with the Girls' Glee Club, Boys' Glee Club, and the Grade School Chorus for the Spring Music Festival.

The group also sang for graduation this year.

The Girls' Advisory Council, commonly called the G. A. C., completed its yearly activities with the annual G. A. C. Dance, held May 26th in the Jefferson Gym. This year the dance was a sport affair and clever decorative ideas were carried out.

Other activities were the boy and girl party given in the Pine Room and 113, April 19th, the donation to charities—Infantile Paralysis Fund, Red Cross, Cancer Control, War Fund—the sponsorship of mixers in Club 113, the sale of war stamps and bonds in school, and the regular duties as office scouts for all six periods.

Almost one hundred girls were led through the past year by capable and well-liked officers.

Here is one of the school's newest clubs, Paint and Pantomine, Jefferson's dramatic society. During the first semester of the past school year, several Jeff students didn't like the fact that Jeff had no acting society and decided to do something about it. They and Miss Andrew set about starting the club. The students were very enthusiastic about it, and a large number were on hand at the organization meeting. Since this time, the club has taken its rightful place in school activities.

A nomination committee, composed of John Hawkins, Marian Chatham, Mike Bodden, and Jean Williams, was appointed and the following officers were elected: Jackie Lange, president; Ray Gretencord, vice-president; and Jack Miller, secretary-treasurer. Jim Brown and Louie Muinzer were commissioned to write a fitting constitution for the club. Throughout the rest of the year the organization presented entertainments. Two playlets were presented in one of the Student Convos and later in the year, they presented a patriotic radio play for the government on "Jefferson of the Air." They also presented several skits in "The Broncho Brevities." Congratulations to one of our "baby" organizations, and here's wishing them Good Luck!

STUDENT CONVO COMMITTEE

First Row: Mayme Goldsberry, Barbara Binz, Pat Patterson, Marian Chatham, Nancy Strauss, Lavonne Taylor.
Second Row: Mr. Charles Martin, Stanley Hauser, Don Coy, Leroy Phillips, Arnold Zarek, Ted Shultz, Ray Gretencord, Mr. Lee Davis.

A new organization at school—the Student Convocation Council—experienced a very successful year and achieved its foundation purposes. The idea for a council originated from Charles Martin, commercial teacher, and the purpose of the organization was to give the students at Jeff more and better convos. A group of students to make up this council was chosen by Mr. Martin and Stanley Houser was elected President. Those belonging are: Mayme Goldsberry, Barbara Binz, Pat Patterson, Marian Chatham, Nancy Strauss, Lavonne Taylor, Don Coy, Leroy Phillips, Arnold Zarek, Ted Shultz, Ray Gretencord and Stanley Houser. This committee wrote, directed and produced a number of successful convocations through the year, assisted only by Messrs. Charles Martin, Leroy Davis and Harold Wills.

On April 27, a large night show, comparable to the former Red and Black Revues, was presented and met with great acclaim. It consisted of twenty-one acts and was titled "The Bronco Brevities."

Congratulations to you, committee and teachers; you have done a fine job and may organizations flourish through the coming years.

Serving as President was Jean Williams; Vice-President, Louann Goodnight; Secretary-Treasurer, Barbara Binz. Their help and guidance was appreciated by all and their term of office benefitted the organization greatly.

SPANISH CLUB

First Row: N. Sindley, C. Winter, B. Martin, R. Norton, L. Reith, S. Feaster, J. Baugh, J. Moran, P. Coling, T. Bossung, M. Bodden, P. Brunton.

Second Row: M. Wilkinson, A. Linsiman, W. McCoy, L. Arnold, V. MacDonald, J. Huth, M. Ireland, S. Coling, N. Sweet, C. Canon, P. Davis, B. Morgan, M. Hilton, J. Grogan, C. Defrain.

Third Row: H. Noe, M. Minear, J. Williams, D. Ruschli, N. Williams, B. Strebe, N. Strause, A. Hohnhaus, L. Cassini, A. Haines, M. Wood, R. Hamilton, L. Pearlman.

Fourth Row: R. Levering, I. Yost, D. Foster, L. Beachamp, L. Smith, D. Seifer, J. Thoma, P. Pechin, J. Schultz, G. Connolly, B. Seaman, S. Memering, R. Cassini, R. Blackwell, A. Skomp, J. Rose, E. Harris, P. Cattell, Miss McCloud.

Fifth Row: J. Hunter, D. Stallard, G. Pfrommer, E. Ausban, R. Rohrabaugh, B. Field, L. Lahr, W. Ince, C. Loy, J. Cunningham, C. Hunter, D. Brand, A. Thompson, J. Velton, B. Downing, T. Fowler, L. Heffner, J. Rickleson.

As our thoughts have been turned south "of the border" through our "good neighbor" policy, so have those of the Spanish students. So much so that this year a Spanish Club was proposed and sponsored by Miss Beth McCloud, Spanish teacher. Its name is "La Junta Espanola" or the "Spanish gang." At their meetings they were privileged to hear Latin American speakers, listen to Latin American music, enjoy their games and pastimes and learn to like them better by knowing them better. Pan-American Day was celebrated by uniting with the Latin American History students and presenting a convo featuring a play, "Clavelita," Spanish music and dances. The officers for the past year were: President, Tom Bossung; Vice-President, Mike Bodden; Secretary-Treasurer, Jane Moran.

PATRIOTISM and LIFE INSURANCE

A bankrupt home doesn't give to a nation, it takes from it.

A bankrupt business pays no taxes, employs no people, produces no goods.

Stabilizing homes and businesses by life insurance means building national strength.
